

SAMPLE MUSIC GUIDE

This is a sample list of songs that we hope will assist you in your overall music selection for your event. By no means does this list include every song Hard At Play has in it's library, but it does include classic party song, country, top 40 and latin. If you have favorite songs that you do not see on this list, don't be alarmed! Just be sure to make a note of them on the Music Request Sheet. Then approximately four weeks before your event, you'll sit down with your Hard At Play DJ and have the opportunity to review the music you've selected. We usually do not format each event down to the exact order each song will be played in at a specific time. Rather, we factor in your suggestions, likes and dislikes, guest requests, and how well the crowd is responding to what is being played. Thank you for taking the time to review this sample music guide, and have a great party!!!
